

CASA of Polk County, Inc.

One-time or Monthly GIVING PROGRAM

Community Partners and Friends,

When you donate to CASA of Polk County Inc. you are helping to train and support **Court Appointed Special Advocates (CASA) volunteers** to represent the best interests of children who have **experienced abuse and/or neglect, who are wards of the court, and who are residing in Polk County resource housing (foster care)**. You are also helping to grow a **nationwide movement of individuals** who tirelessly work to ensure every child who needs a best-interest advocate can have one! These folks are called CASA volunteers, or CASA advocates, whom we wouldn't have a program without!

Our goal is to provide a **trained CASA volunteer for every child who is a ward of the court due to abuse or neglect**. Before the start of the pandemic, 86% of foster children in Polk County had an assigned CASA for support. We want to continue to improve this level of care **until 100% of all foster children in Polk County have a CASA**. Research has demonstrated that **children who have a CASA volunteer by their side are more likely to** find a safe permanent home, succeed in school and, half as likely to re-enter the foster care system.

Amount doesn't matter....every bit helps! Give \$10, \$25, \$50, \$100 or another amount. Your One-time donation OR Monthly Gift will make a difference in an abused and/or neglected child's life!

Note: if your total donation adds up to \$500, please consider being a part of our **Circle of HOPE Sustainer Program**.

Our website has additional information, a donation portal, and a video which outlines the way we support foster children. You can also find information about our Circle of Hope Sustainer Program and other ways to donate, and how you can volunteer your time to make a difference in a foster child's life.
